Dear Colleagues,

Welcome to ACP India Chapter Annual Meeting 2026! Meet, learn, and share with friends & colleagues from 11th - 13th September 2026 at Indore, the Cleanest City of India.

ACP India Chapter Annual Meeting 2026 continues its tradition as a respected academic platform, bringing together physicians, academicians, and researchers from India and abroad. The scientific program is designed to support reflective clinical practice through structured plenary sessions, case-based discussions, and focused workshops. These sessions aim to strengthen diagnostic reasoning, therapeutic decision-making, and the practical integration of evidence into everyday clinical care.

Indore, known as the "Commercial Capital of Madhya Pradesh," offers a vibrant and progressive setting ideal for academic exchange and professional networking. The city's blend of modern infrastructure, rich cultural heritage, and renowned hospitality creates an engaging environment for learning and collaboration. Recognized for its cleanliness and smart city initiatives, Indore ensures a comfortable and well-organized experience for delegates.

Beyond the conference, participants may explore notable attractions such as Rajwada Palace, Lal Bagh Palace, Sarafa Bazaar (famous for its street food), Chappan Dukan, and the scenic Patalpani Waterfall. Additionally, the sacred city of Ujjain and the revered Omkareshwar Mahadev Jyotirlinga, both located nearby, offer profound spiritual and cultural experiences for visitors.

With participation expected from physicians and specialists across the country, ACP India Chapter Annual Meeting 2026 aims to provide a meaningful forum for exchange of ideas, professional interaction, and learning relevant to the evolving realities of internal medicine practice. The conference will host eminent international faculty and over 800+ national delegates, making this a truly collaborative and enriching event.

We are confident that the 11th ACP India Chapter Annual Meeting 2026 will offer a focused and enriching academic experience and contribute to strengthening thoughtful, patient-centered practice. We look forward to welcoming you to Indore for an intellectually engaging and rewarding conference.
